Community Peace Radio Show #33

Date: 20 June 2009

Topic: Peace Music

Co-Hosts: Pat Leahan, Arielle Hawney

Summary: A fan of the Tri-County Farmer's Market calls in to give an update on what's currently available at our local Farmer's Market. The main focus of the show is Arielle playing some of her favorite songs of social significance, enhanced by her insightful personal and political commentary.

Pat's Extra Notes:

For some reason, the news at the top of the hour was not broadcast, so Arielle and I spontaneously did our own version of what the news would be if we could have written it.

Arielle planned this show and "runs the board" again today.

Karen Bernstein passed away this past week. Our condolences to Carl and family.

Thank you, David, for our CPR intro music:
