

Community Peace Radio - Water Conservation, Rainwater Harvesting

{enclose PTR-090926-WaterCons.mp3}

Community Peace Radio Show #47

Date: 26 September 2009

Topic: Water Conservation and Rainwater Harvesting

Participant: Steve Reichert

Co-Hosts: Curtis Sollohub, Pat Leahan, Dennis Lopez

Summary: We talk briefly about the City of Las Vegas draft water conservation ordinance. The focus of the show is primarily on water conservation and rainwater harvesting. Options such as rain barrels, cisterns, and low-flow devices are discussed. Steve Reichert shares lots of good information with our listeners.
