Community Peace Radio Show #50

Date: 24 October 2009

Topic: San Miguel County Family and Community Health Council

Participants: Yolanda Cruz (Coordinator, San Miguel County Family and Community Health Council), Adam Metcalf (Health Education Manager, El Centro Family Health), Angela (Physician's Assistant, El Centro Family Health)

Co-Hosts: Curtis Sollohub, Dennis Lopez

Summary: Adam and Angela announce today's El Centro Family Health Fiesta and open house for the clinic. El Centro Family Health provides quality health care at affordable prices to rural northern New Mexico. Yolanda discusses the current community health survey they are conducting, and encourages people to participate. Call them or visit their website if you would like to take the survey. Additionally, Yolanda discusses the current work of the Health Council and shares with us their priorities for the coming year. A resource guide is available at the SM Health Council's website or by calling them. It's a great resource for access to a wide variety of services provided by agencies and organizations throughout San Miguel County.

Pat's Extra Notes:

Happy birthday, Yolanda.

Dennis did the weather, as Arielle was in Albuquerque accepting an award for her social justice work.

Our dear friend and community activist, Steve Flores, passed away on October 19th, 2009. The loss is significant, as Steve devoted his life to the well-being of his family and his community. Our condolences to all the Flores Family.

Upcoming Rally: 30 October 2009; 11:00am at the Plaza Park in support of our local hospital workers

Thank you, David, for our CPR intro music:
